WARNING: Any alteration, forgery or unauthorized use of this Federal Form is subject to civil penalties of up to \$250,000 (7 U.S.C.s 7734(b)) or punishable by a fine of not more than \$10,000, or imprisonment of not more than 5 years, or both (18 U.S.C.s 1001)

Wildlife Service, the U.S. Food and Drug Administration, the Centers for Disease Control and Prevention, the APHIS Veterinary Services unit, the APHIS Biotechnology Regulatory Services, or your State's Department of Agriculture to ensure proper permitting.

5) If you are considering renewal of this permit, an application should be submitted at least 90 days prior to the expiration date of this permit to ensure continued coverage. Permits requiring containment facilities may take a longer period of time to process.

PERMIT CONDITIONS

USDA-APHIS issues this permit to Michael Pitcairn, California Department of Food and Agriculture, 3288 Meadowview Road, Sacramento, CA 95832. This permit authorizes the interstate movement of *Bangasternus fausti*, *Cyphocleonus achates*, *Larinus minutus*, and *Larinus obtusus* to the Permit Holder, Michael Pitcairn for release as a biological control agents of spotted and diffuse knapweeds in California.

1. • This permit is issued by the United States Department of Agriculture's Animal and Plant Health Inspection Service (APHIS). It conveys APHIS regulations and requirements for the material(s) listed on this permit. It does not reduce or eliminate your legal duty and responsibility to comply with all other applicable Federal and State regulatory requirements.
 - The permit number or a copy of the permit must accompany the shipment.
 - You must be an individual at least 18 years old, or legal entity such as partnership, corporation, association, or joint venture.
 - You are legally responsible for complying with all permit requirements and permit conditions.
 - If you violate any applicable laws associated with this permit, you may face substantial civil or criminal penalties. We may cancel all current permits and deny future permit applications.
 - Without prior notice and during reasonable hours, authorized Federal and State Regulators must be allowed to inspect the conditions associated with the regulated materials/organisms authorized under this permit.
2. The permit holder must:
- maintain a valid PPQ526 permit so long as the regulated materials/organisms are received, handled, and released,
 - take appropriate precautions to release regulated materials/organisms only at intended release

Permit Number P526P-18-02250

WARNING: Any alteration, forgery or unauthorized use of this Federal Form is subject to civil penalties of up to \$250,000 (7 U.S.C.s 7734(b)) or punishable by a fine of not more than \$10,000, or imprisonment of not more than 5 years, or both (18 U.S.C.s 1001)

sites,

- not assign or transfer this permit to other persons without APHIS PPQ authorization,
- maintain an official permanent work assignment, residence, or affiliation at the address on this permit,
- notify the Pest Permit Staff as soon as possible of any change in the permit holder's work assignment, residence, or affiliation,
- notify the Pest Permit Staff of the receipt of unauthorized and/or misdirected shipments of regulated materials/organisms.

Notifications to the Pest Permit Staff must be made via 866-524-5421 or pest.permits@aphis.usda.gov within one business day of the event triggering a notification.

3. All packages for transport must minimally consist of both inner/primary and outer/secondary packages securely sealed so that both are effective barriers to escape or unauthorized dissemination of the listed materials/organisms. The inner/primary package(s) will contain all regulated materials/organisms and must be cushioned and sealed in such a way that it remains sealed during shock, impact, and pressure changes that may occur. The outer/secondary shipping container must be rigid and strong enough to withstand typical shipping conditions (dropping, stacking, impact from other freight, etc.) without opening.
4. Prior to shipping Regulated Articles, OR prior to release in the field, the identity of weed biocontrol agents intended for release shall be verified by a qualified individual, such as a qualified federal or state official or other person sufficiently familiar with these species to reliably identify life stages shipped compared to other (similar) species.

Only the regulated articles listed above and associated host plant parts shall be released in the field. Other biological and non-biological materials in the shipment (contaminants), if any, shall be separated out by a reasonable and effective means which results in elimination and minimalizing of contaminants released in the field.

All such contaminants culled from received shipments shall be destroyed or at minimum double bagged and submitted to the municipal/local waste stream.

WARNING: Any alteration, forgery or unauthorized use of this Federal Form is subject to civil penalties of up to \$250,000 (7 U.S.C.s 7734(b)) or punishable by a fine of not more than \$10,000, or imprisonment of not more than 5 years, or both (18 U.S.C.s 1001)

5. Host plant parts are authorized to be included in the shipments of regulated organisms. Shipments shall be free of propagative host plant parts as much as practical, except that propagative host plant parts are authorized to be included in the shipments of regulated organisms when these organisms normally live within a propagative plant part.
6. The permit holder must document and retain records of all releases, and make them available to Federal and State regulators upon request.
7. The permit holder and those designated are authorized to transport regulated organisms to California by motor vehicle.
